Cardboard base suitable for greeting cards - natural and light pink

Markers

Scrap paper Basic grey: Blush

Ink pad: brown

Foam tape 0.8 mm

Working method:

General:

Accentuate all the edges using the ink pad.

Colour in the patterns in the corners using the black marker. Attach the female figure to the light pink cardboard, colour it in, and cut it out. Cut out a rectangle measuring 21 x 10.5 cm from natural cardboard; score the middle and fold the card. Cut out a passe-partout from natural cardboard measuring 6.5 x 9.5 cm and a strip of 2 x 6.5 cm. From the scrap paper, cut out sheets which are 0.5 cm smaller and paste them on. Paste the figure, the passe-partout and the strip onto the card using foam tape.
