Method:

Cut a 21 x 21 cm square from the white cardstock, score down the middle, and fold the card. Cut a 10.3 x 20.8 cm rectangle from a plain-coloured sheet from the Collection pack. Colour the edges of this top sheet and the card with the ink pad. Stick a Peel-Off decorative lace edge to both short sides (the edge is too short, so take two edges and allow them to overlap) cut off the protruding parts and stick the whole thing onto the card. Prick the holes and sew on the rocailles. Don't tie any knots in the thread; instead, stick down the ends of the thread using sticky tape. Cut out the designs from the sheet, colour the edges using the ink pad, and affix to the card using foam tape. Cut out an extra little flower and stick it to the middle of the ornament using foam tape. Stick little sticker circles left behind on the Peel-Off onto the centres of the flowers. Stick on the lettering. The reverse of the embroidery is covered neatly by sticking on a white cover card measuring 10.2 x 20.7 cm.
